## SHOW POLICIES AND REGULATIONS

1. **BOOTH RENTAL:** Includes a 10' x 10' booth with an 8' high back wall and 4' high side rails, one duplex outlet, skirted 6' x 30" table and two chairs. Additional equipment may be ordered. Carpet in booth spaces is not provided. Bulk Space will be provided with the above on an as needed basis.
2. **MERCHANDISE:** must be confined within your booth space. "Roaming" by vendors either selling or soliciting is not allowed.
3. **TRIP HAZARDS:** All aisles must be kept clear and free of any trip hazards. Vendor carpets must have all edges taped down. It is the vendor's responsibility to tape down carpet edges and eliminate trip hazards inside vendor booth space. Vendors must provide their own 25', 14 gauge extension cords with a ground plug. These cords are best flown or covered by ramps.
4. **CONCESSIONS:** The Carlson Center reserves the right to all concession activity. Promotional food and/or beverage samples must meet State and Local guidelines and must be samples only. Packaged and sold food products are acceptable but must have prior approval from The Carlson Center F&B Director.
5. **OBSTRUCTIONS:** In order to avoid obstruction of your neighbor's booth, the following guidelines should be followed: side panels of up to 8' high cannot exceed 4' in length from the back of the booth. The remaining 6' is to be no higher than 4'. The use of canopies is prohibited.

6. **PA SYSTEMS/MUSIC:** Use of PA Systems, microphones and voice amplification systems is not acceptable during the show. Demonstrations must be held without these.
7. **NOISE:** Noise due to the use of CD Players, radios, cassettes, DVD/VCR Players, TV's, or any such device must be kept to a minimum and must not disturb other vendors in their space.
8. **DEMONSTRATIONS:** Demonstrations or promotional activities must be confined within the limits of the purchased space and must not interfere with the other exhibitors.
9. **ANIMALS:** Assistance animals only are allowed in the building. All other animals are prohibited inside the building due to Borough regulations.
10. **OFFENDERS:** offenders of the above regulations will be asked to leave and no refund will be given.
11. **FREIGHT:** If delivering items to the Show by freight, you must submit the following in writing to the Center: Deliverer, Date/Time of delivery, number of items expected. You MUST reference your booth name and number on freight. The Carlson Center will not be responsible for any loss or damage to freight nor be responsible for delivery costs. All freight must be pre-paid.
12. ALL BOOTHS MUST HAVE AN A.B.C. RATED FIRE EXTINGUISHER.
13. NO SOURCE OF FLAME MAY BE USED AT ANY TIME IN A VENDOR BOOTH.

16. ALL EXIT AREAS MUST REMAIN CLEAR. PUBLIC AISLES MUST REMAIN CLEAR OF TRIP HAZARDS.
17. Tradeshow power will be provided. While electrical power will be made available within a 25' radius of each booth space, it is the vendor's responsibility to provide their own extension cords. The City Fire Marshal requires extension cords to be of 14 gauge with a grounded plug. One duplex outlet can provide 2400 watts. However, a continuous load MAY NOT exceed 8% of 2400 watts.
18. If you have a vehicle or boat in your booth, the Fire Marshal requires a) No more than 1/8 tank of gas and gas cap taped shut, b) Battery disconnected, c) A.B.C rated fire extinguisher in proximity to the display
19. **HELIUM BALLOONS:** Helium balloons are not allowed in The Carlson Center. Helium balloons can cause control problems for the ventilations system. ## REFUNDS AND CANCELLATIONS

1. Any cancellations must be received in writing no later than thirty (30) days from the show.
2. Refunds will be distributed if space is cancelled thirty (30) days or more prior to the show, less the \$100.00 non-refundable deposit.
3. No refunds will be given if booth space is cancelled within thirty (30) days of the show.

## BUSINESS LICENSES

If your business is outside the Fairbanks City Limits, you must display a copy of your current Alaska State Business License. If you are from out of state and do not currently have an Alaska State Business License, you will need to obtain one before the Show. The Carlson Center will purchase a Special Events Permit from the City – This will eliminate your need for a transient vendor license. However, once again, you will need to display your Alaska State Business License in your booth. Someone from the City will be at the Show checking licenses, so please don't forget this important rule. The City of Fairbanks passed an ordinance 6 years ago to have all businesses that are located within, or conduct business within the City limits to also purchase a CITY of Fairbanks Business License. If you are a vendor who participates in tradeshow and are located outside the City limits, you do not need to purchase a City Business License if you conduct business in the City limits for less than 5 days per calendar year. If you participate in more than one, three day tradeshow, you WILL need to purchase a City Business License. For any questions, please visit the City of Fairbanks website at [ci.fairbanks.ak.us](http://ci.fairbanks.ak.us) or call the City Clerk at (907) 459-6751.

State of Alaska Business Licenses can be obtained from:
